17	Grand Canyon Univ.	QUEST Academy

- Displays can be ONLY set up between 11:00 and 12:30 on your assigned day. (10:45 - 11:15 is the designated coffee break.)
- There are board governance training sessions also scheduled during this time and so this may reduce the number of people visiting your table.
- Your school display could be a self-running PowerPoint presentation, video or brochure that would communicate the potential for collaboration with your school.
- Please also think about ways that you want to collaborate with schools from other countries for the mutual benefit of your students and teachers. The best encouragement for partnership is highlighting what you can offer to others in these partnership opportunities.
- Your [School Profile Form](#) may also be printed for use in your display. (Go to [Moodle](#) to download the form.)
- Pictures are provided as examples from IELC 2017.

Please note if you are scheduled to display on both days. This is provided to school service organizations and ACSI member schools of higher education.
