

Dear Friends,

What a blessed time we had together at SLC 2020! It was a bit different this year, but we are thankful to God for His work in our lives and our schools through this virtual event. God is not constrained by virtual connections and physical distance! Thank you to each one of you for your participation. We are sharing this report with you now to inspire and encourage you as you continue to serve and lead in your schools.

SLC 2020: The Numbers	
Total participants	269
- Students	213
- Chaperones	42
- Staff/Speakers	14
Schools	24
Countries	14
Zoom accounts used	40+

Some comments from students and chaperones about how God blessed them during the conference...

“The fact that we were connected through Christ wherever we were.”

“I think the greatest impact on me was the fact that I meet people that were ready to spread the love and the wisdom of God.”

“I learned how to be a better leader in the community I live in.”

General Sessions

Thank you, Frank and Leslie, for your presentations during the general sessions!

- Seeing Challenges as Opportunities for Growth
- Seeing Freedom as an Opportunity for Responsibility
- Seeing Need as an Opportunity to Serve
- Seeing Position as a Calling
- Called to Lead, Called to Serve

The online format for this year’s conference gave us the opportunity to try something new during the general sessions: discussion times within our school groups. This was appreciated by many students as it was an opportunity to discuss ideas in their own language.

Some comments from students about the general sessions:

“I really try to help others and I find it quite difficult to do that. Frank gave me so much things I can use in my everyday life.”

“It was a great reminder for me that I shouldn't try to avoid people around me, but I should have eyes to see their needs.”

“I have learned that I need a life of a leader. And I have to focus on God not on the world.”

Discussion Groups

Thank you to the discussion group leaders who helped students to connect with new friends from other countries and discuss what they were learning in the general sessions.

Some comments from students about discussion groups:

“It was through the discussion groups that God blessed me the most. It was great talking to different people around the world and sharing our faith.”

“The discussion groups were the most impactful for me... the discussion groups brought so many perspectives from different cultures that I would not have ordinarily thought of.”

“The discussion group made me feel special, and I had the chance to get to know new people around the world. I have new friends now!”

Workshops

Thank you to our workshop leaders for helping us to engage with challenging issues in an interactive way.

Some comments from students about workshops:

“This workshop helped me a lot in my problems and questions and I in turn will know how to answer others.”

“I learned a lot, I loved that there was a lot of space for conversation.”

“Very influential talk for a part of my life I sometimes struggle with. It gave me the tools to be able to manage it.”

Action Plans

Thank you to the chaperones who guided their students through the process of preparing an action plan. It was wonderful to hear short introductions to these plans at the end of SLC, and we are looking forward to hearing more from you as you implement your plans.

The ACSI Europe team was pleased to serve you through SLC again this year. We are praying for you and looking forward to SLC 2021!
